

DFW DEPO TECH

CUTTING-EDGE TECHNOLOGY TO STREAMLINE YOUR DEPOSITIONS

CLE CREDIT

NEW DEPOSITION TECHNOLOGY FOR CONTINUING LEGAL EDUCATION ("CLE").

David Feldman Worldwide provides a certified, custom **ONE-HOUR, ONE-CREDIT**, deposition technology CLE training for litigators, paralegals and legal assistants.

REALTIME SOFTWARE

Learn how to effectively utilize **REALTIME SOFTWARE** and **STREAMING TECHNOLOGY** to instantaneously view the text and/or video from the testimony –as it is recorded– right to your device from anywhere in the world, at any time. LiveNote, CaseViewNet, Bridge and LiveDeposition are the leading realtime deposition technologies.

CASE MANAGEMENT

Learn how our state-of-the-art technology can help you manage your case after the deposition. DFW will teach you how to effectively utilize innovative, cost-saving tools to (1) digitally present, mark and hyper-link your **EXHIBITS**, (2) help case teams work **COLLABORATIVELY ONLINE** from anywhere in the world, (3) distinguish the difference between **FILE TYPES** such as .txt, .ptf, .ptz, .ptx, .lef and others, (4) handle **DESIGNATIONS**, (5) help you effortlessly make your own **VIDEO CLIPS**, (6) export **KEY DOC** files from programs such as relativity, into witness prep files for depositions, and (7) **GO PAPERLESS** using an online workspace.
